

# SUMMER HOLIDAY Japanese CULTURAL EXCHANGE PROGRAM

Our summer holiday cultural exchange program provides students with an opportunity to host a Japanese student and experience parts of the Japanese culture they can't learn in the classroom! You will participate in hands-on Japanese art and craft activities in the morning with a qualified Japanese art teacher and then join your Japanese host student on fun excursions in the afternoon.

## Why join our Cultural Exchange Program?

- Experience hands-on Japanese art and craft activities with a native Japanese art teacher.
- Enjoy fun and exciting activities and excursions with your Japanese buddy
